Dear Parents and Students:

Welcome to the new school year at Page Private School. The essence of our school is founded in the collective commitment of parents, students, faculty, staff, and administrators toward the quality of the educational process, both during the academic part of our school day and throughout the extra curricular programs we offer.

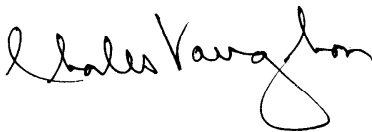

With the commencement of a new school year comes excitement and high expectations for each and every person involved in the educational process. Our dedicated teachers look forward to sharing the wealth of knowledge that is accessible by so many different avenues in our world today. Our school works hard to make each day an exciting and safe place for you to come. Our administrators are there to help in every aspect of school life. Our students look toward not only academic accomplishments but also the pursuance of our motto "***Growth with Honor.***"

We have common sense rules and expectations that we believe improve the quality of life at Page and benefit everyone. This handbook will be reviewed with all students during the first week of school. Should you have any questions or suggestions please do not hesitate to contact your Director.

Together in a committed partnership, parents, faculty, and staff strive to make a difference in each child's life as we ***teach and guide every step of the way.***

Welcome and best wishes for an exciting and productive year!

Before and After Care Programs

If you drop off or pick up your kindergarten through grade eight child before or after the scheduled arrival or departure times, please make arrangements for your child to be enrolled in the elementary and/or middle school before/after care programs. Before care is available starting at 6:30 a.m.

As part of the after care program, study hall is available for the students in kinder through eighth grades from 3:30 – 4:30 p.m., Mondays through Thursdays. In addition to study hall there are a variety of club activities that are offered during the after school program. Students will have a choice of activities in which to participate and in accordance with their grade level. Please check the daily club sheets posted to locate your child's club each day.

The school closes promptly at 6:30 p.m. Any parents picking up their child after 6:30 p.m. will be assessed an additional fee for the late pick up. This fee is to be paid directly to the teacher on duty that evening at the time of picking up the child.

Signing In and Out

Preschool children should be brought to their individual classroom by their parent, guardian, or other authorized person and sign them in on the sign in/out sheet. Elementary and middle school students are to be signed in and out on the first floor of the elementary and middle school building in the computer lab.

For the safety of your child, please notify the office **in writing** should someone other than the primary parent and/or guardian pick up your child. Please note that Page Private School is enforcing the security policy. Each family will be assigned a security number for identification purposes. Anyone other than the primary parent and/or guardian must know the security number in addition to producing picture identification in order for staff to release your child. It is important for the safety of your child to let the office know **in writing** when someone other than the primary parent and/or guardian will be picking up your child. It would be most helpful if you would include the person's name, driver's license number, and a brief physical description in the authorization letter. The person must produce picture identification and give the security number in order to receive a dismissal pass to pick up your child. **No person shall be allowed to pick up a child without appropriate authorization from a parent or legal guardian, picture identification, disclosure of the appropriate security number, and appropriate dismissal pass. There will be no exceptions to this policy.**

Morning Arrival

Preschool children should be brought to their individual classroom and signed in. Parents are encouraged to have their children arrive at school by 8:30 a.m. to begin their program.

Students in PK – Grade 8 arriving after the designated time will need to report to the office for a tardy slip.

Afternoon Departure

Preschool students may be picked up and signed out from the classroom, computer lab, or playground. An afternoon schedule is posted just inside the entrance door of the preschool building.

It is important for the safety of your child to let the office know **in writing** when someone other than the primary parent and/or guardian will be picking up your child. **Phone calls are not acceptable notification.** It would be most helpful if you would include the person’s name, driver’s license number, and a brief physical description in the authorization letter. **No person shall be allowed to pick up a child without appropriate authorization from a parent or legal guardian, picture identification, and appropriate dismissal pass from the office. teacher on duty that evening at the time of picking up the child. Minors are not authorized to pick up.

Attendance

Regular attendance at school is very important to the success of students. Page Private School will follow the Florida Compulsory Attendance Law found in Chapter 1003 for the Florida Statutes. Parents must contact the school if a student is absent and give the reason for the absence. Written excuses must be turned into the office upon the student returning to school. Excused absences will include personal illness, death of a family member, religious observation and other absences pre-approved by the director.

Tardy Policy

The following policy has been instituted to encourage timeliness and discourage classroom interruptions.

1. Expected arrival times:
 - a. Pre-Kindergarten through Grade 2 8:30 a.m.
 - b. Grade 3 – Grade 8 8:30 a.m.

Students will need to be in the classroom, organized for the day and ready to learn.

2. Students arriving after that time will need to be accompanied by an adult to the office to receive a tardy slip.

Excused Tardy Slips are only given when a student is late due to medical appointment and/or dental appointments. Receipts and/or written excuses from the appointment will be needed. Please make every effort to schedule appointments around school hours or during enrichment breaks.

Unexcused Tardy Slips will be given in all other cases. If you are going to be late due to traffic or other unforeseen events, please notify the office. Administration reserves the right to wave tardy slips when events are delaying several families.

3. Multiple Unexcused Tardy Slips per quarter will result in the following consequences:
 - **2 Unexcused Tardy Slips per quarter will result in a mandatory meeting with administration before the student is allowed to go to class.
 - *After the 2nd unexcused Tardy, parents will be charged as follows:
5 tardies = 1 absence

\$5.00 for the first 15 minutes
\$1.00 per minute for every minute after that.
PAYMENTS WILL BE DUE IMMEDIATELY.

*Additional consequences will be determined if needed by the Director.

Traffic Policies

Throughout the year, please observe these Page traffic courtesies:

Please do not park in the Fire Lanes or handicapped parking without a permit. We use these areas for emergency situations and our “Dock Pick Up” system. During a special

school event, please park in the designated parking areas. If the lot is full, a Page staff member will direct you to an appropriate parking area.

Please be aware of your speed at all times when arriving to and departing from the campus. The speed limit is 5 miles per hour. We appreciate your effort in keeping our students, parents, and staff safe.

Emergency Cards

A primary tool that we use for information regarding your child is the Page Private School Emergency Card. The card must be completed upon enrollment, at the beginning of each school year, or when the information has been modified. This system is used to contact parents or persons listed in case of emergency. It is essential that employment, address, phone numbers, and emergency contacts, are updated as frequently as necessary to keep the information as accurate as possible. The reverse side of the emergency card gives the school permission to administer Tylenol to your child as well as the name of your child's doctor. Students with allergies will be given a pink emergency card. Please list the type of allergy on the card and possible reactions. Students with pickup restrictions will be given a yellow emergency card.

Health and Safety

Please do not send your child to school when he/she is ill. Page Private School cannot provide care for children who are sick. If your child becomes ill while at school the office will contact you to pick up your child. Children are very uncomfortable when they are ill at school. You, family members, or your designee will need to make arrangements to pick up your child as quickly as possible. We will have your child resting in the office until your arrival. Please arrange a system with family members who can be notified in case an emergency or sickness arises.

Children need to be "fever-free" for at least 24 hours before returning to school. If your child is experiencing diarrhea or vomiting, they must be symptom free for at least 24 hours before returning to school. If your child is prescribed medication, such as an antibiotic for infection, he/she must have been on the medication for at least 24 hours prior to returning to school.

Children needing any kind of medication while at school must check into the office with their parents on the morning of their return. The office must have the Doctor's prescription and the medicine contained in the original container in order to dispense any prescribed medication per Florida law. A medication slip needs to be filled out in the office. Both the medication and slip will remain in the office for proper disbursement at the time indicated by the physician. Whenever necessary, the office may request a written doctor's note verifying that the child is healthy and able to return to school.

When your child is in your care on our campus during drop off, pick up or during special events, please do not allow them to climb or play anywhere that is not a designated playground. Children are not allowed on the playground unless a staff member is present. This is for liability purposes. While on the playground the children must listen to the teacher on duty even if you are present. Pets are not allowed on campus.

Curriculum and Supplies

As a convenience to the parents, Page Private School has arranged for books, workbooks, and supplies to be delivered to the campus for prekindergarten through eighth grade. This allows for uniformity and consistency with the school's program. The curriculum

fee must be paid by check, money order, Visa, or MasterCard prior to the beginning of the school year in August. Curriculum fees are refundable at 50% upon issue of materials, with a decrease of 10% per month thereafter should your child leave the school. Books will not be issued until Curriculum fees are paid.

The curriculum fee does not cover certain organizational items. A list will be distributed at “*Back To School Night*.”

Homework

Kindergarten through eighth grade students have Edline accounts. Edline is a computer based program where all assignments, homework and grades are posted. Each parent is able to access their child’s grades as well as receive emails when new reports have been posted with Edline.

Preschool and pre-kindergarten parents will use “Homework Now” as a computer based communication tool. Features include monthly calendars, classroom newsletters and students of the month.

Kindergarten through eighth grade students will be given homework regularly.

It is important that students learn the responsibility of turning in their assignments in an accurate and timely manner. Homework that is not returned or that is returned late will count against final grades, with the exception of excused absence. Students will have an equal number of days missed to complete the missing assignment. Extended absences please contact the office concerning missed assignments. Organization of materials is vital to your child’s success.

Progress Reports, Deficiencies, and Conferences

Progress reports will be issued four times a school year to all students. Parents may request an appointment for a conference either following each grading period or whenever the parent or teacher deems it necessary, mandatory parent conferences are required after the 1st report card. Mid-quarter progress reports will go home to kindergarten through the eighth grade students half way through the marking period to advise parents on reinforcement needed in their child’s academics. Deficiency notices are sent home to students who are earning a C or less in a particular subject area or are not working to the student’s potential at the mid-quarter point.

Library

Students from preschool through the eighth grade have library time built into their academic schedule. Students are encouraged to use the library to enjoy the many facets of educational media and to check out books for both casual and research reading. Page Private School has an inter-school library system that allows students from either Page – Florida school to check out books from the other Page campus. A student who can not find a particular article, book, or subject area is encouraged to ask the campus librarian to check the listings of the other Page School.

Children in the preschool and kindergarten classes may check out books to enjoy in their classrooms. Students in the elementary and middle school may take books home and return them within a one-week period during their library time. Students may request a longer check out time as long as another student has not requested the book.

Any book that is checked out of the school library is the responsibility of the student. Should the book become overdue, the school has the option of delaying any further withdrawals until the book is returned to the library.

In the unlikely event a book is lost or damaged, the student will be asked to replace the book.

Page Private School has a Birthday Book Club in which parents, grandparents, friends, etc. may donate books to the school library in the child's name. Books donated to the library will have a bookplate with the child's name placed in the front cover. Please consult with the school librarian for a list of quality books that will enrich our children's joy for reading.

Extra-Curricular Activities

There are many different extra-curricular activities offered for our Page School students. Programs such as, basketball, cheerleading, dance, keyboard, soccer, volleyball, and Scouts are some choices for your children. Information on how and when to sign-up for these activities will be provided at *Back to School Night* and through notices that will go home with your child. Any further information will be provided directly from the coaches and/or teachers.

Testing

Stanford Achievement Tests (S.A.T.) are administered to the kindergarten through eighth grade students each spring. A testing fee will appear on your April statement to cover testing and computer-generated scoring. It takes approximately four to six weeks after the testing period for final scores to be returned to the school. Each family will receive their child's results at that time. School administrators will be available to discuss any questions you have regarding the testing process or results.

Bulletins and Menus

The first of each month, a newsletter of events, along with a menu are available on our website at www.pageschool.com for you to download. The monthly newsletter is the primary source of communicating to parents in regards to school events, field trips, and general information. We will keep a small supply of newsletters in the school office in the event that the downloading process is unavailable to you. There are also bulletin boards around the campus where information and updates are posted. Please check these boards regularly as a reminder of upcoming and special events.

School Cast

We will use School Cast to communicate with parents via email, text or phone messaging. It will be used to communicate messages and send out notes in the event of an emergency. Everyone is encouraged to register for School Cast.

Lunches and Snacks

It is important that your child receives a well-balanced lunch each and every day to enhance the educational and developmental processes. You may choose to purchase our hot lunch program on a monthly or daily basis. If your child wishes to buy on occasion, please have him/her bring the money to school in an envelope with his/her name to purchase a lunch ticket from the office. The lunch menu is available on our website at www.pageschool.com for you to download. We will keep a small supply of the monthly lunch menu in the school office in the event that the downloading process is unavailable

to you. Please check the menu on a daily basis as from time to time we may find a need. If you wish to change your child's lunch option program, please stop in the office and fill out a change request form.

Should you choose to send lunch with your child, please be sure that it is well balanced and packed in an insulated lunch box. (Please do not send snacks or lunches in paper bags.) Lunch boxes are to be taken home on a daily basis. We ask parents to provide your child two healthy snacks with beverages everyday. As part of the school program two snack periods are incorporated within the day for them. We ask for your cooperation in observing the Page Private School policy of no candy, gum, or carbonated drinks. This is in keeping with Page's philosophy of encouraging children to eat nutritious foods that help them learn and grow. Gum is not allowed on campus at any time.

Nap Time Routines

Each child in preschool through kindergarten is required to have a rest period during the day. Children are to keep an extra change of clothes, a blanket, small pillow, and crib-size sheet (optional) in their cubbies. All of these items should be labeled with your child's name. Please take the nap belongings home each weekend for laundering and return them the following school day.

Lost and Found

All lost and found items are stored in the gymnasium and cleared out on a monthly basis. Small items such as watches, glasses, etc. or items of value are kept in the office. It is important that your child's complete name is on each item of clothing and/or items brought to school. Page Private School is not responsible for lost clothing or items. On the first day of each month items in the lost and found box shall be donated to a local charity.

Field Trips

The children have an opportunity to attend field trips once a month during the school year as well as during the summer session. Parents are notified in advance of each field trip and its cost in the monthly newsletter. The cost of the field trip includes admission, transportation, and lunch. Please drop off payment by the deadline date to sign up your child. Many of our field trips have limited capacity so it is important to return the payment no later than the due date listed to guarantee your child's reservation. All reservations are taken on first-come first-serve basis until the field trip has reached capacity. All students must wear the Page Private School tee shirt on all field trips for identification purposes.

Money

When your child must bring money to school, we ask that you place it in a sealed envelope. Please label the envelope with your child's name and the purpose for the money such as field trip, book fair, lunch, etc. Third through eighth grade students are allowed to bring a minimal amount of money for some field trips to purchase souvenirs. Please do not permit your child to bring money to school except on special occasions. Fifth through eighth grade students may use the vending machines after school only during their snack time. Please bring the correct change or crisp one-dollar bills, as the office does not have the resources to make change.

Yearbook

Each year Page produces a beautiful hardcover yearbook that includes the students from the two Florida campuses. All students may participate in the yearbook program. Parents who do not want their child to receive a yearbook must indicate that by notifying the office by August. A ten-month payment plan has been established and will be billed on each month's statement beginning in September. Yearbooks will be delivered in late May or early June.

Tuition

In order to ensure your child's enrollment at Page, an initial non-refundable registration fee is due upon acceptance into the program. A non-refundable re-enrollment fee is billed to your account in March.

Page Private School offers a variety of payment option plans for tuition. Prekindergarten through eighth grade tuition is for the academic school year, August through June (eleven payments). Preschool tuition is due on a monthly basis. The tuition for June is expected in its entirety, as the school must maintain a complete staff to accommodate the students. July tuition may be pro-rated only when arrangements have been made with the school office. Tuition is payable in accordance with the admission policy.

All tuition payments are due on the first of each month and no later than the tenth of each month. Holidays and/or illness are not deductible. A student with delinquent tuition after the fifteenth of the month, and not having presented a post-dated check for payment no later than the twentieth of the same month, will not be allowed to return to school until the entire account balance is satisfied subject to space availability. Autodraft, Checks, Money Orders, Visa, and MasterCard are available options for payment. Should your check be returned to the school for non-sufficient funds, there is a charge of \$15.00 for the first check, \$25.00 for the second and should a third payment be returned the school will ask to be paid by money order for subsequent payments. **Cash will not be accepted for tuition payments.**

Parents of students in prekindergarten through eighth grade are encouraged to participate in the Annual Tuition Assurance Plan. Without the purchase of this plan if your child should leave during the school year for any reason, you are financially responsible for the year's tuition. This fee will be billed to your account in June for the upcoming school year. This will assure the year's financial obligation in the event of any interruption in education. The Annual Tuition Assurance fee is non-refundable. Pre-school students leaving the school must give a thirty (30) day written notice on the Page School withdrawal form.

Tuition alone does not cover the administrative and operating costs of the school. The school charges a semi-annual Facilities Fee per child, in October and February to defray these costs.

Page Private School Dress Code

All kindergarten through eighth grade students are required to wear Page Private School uniforms. Page has a dress code designed to promote focused study habits, encourage neatness, provide safety, and avoid competition. Student's Right To Free Speech

Page is cognizant and respectful of a Student's right to free speech pursuant to the first Amendment to the United States Constitution as well as Article I, Section 4 of the Florida Constitution. Students do not shed their constitutionally protected rights to freedom of speech or expression by enrollment at Page. However, Page, Parents and Students all agree that "Student Speech" (defined herein as "all communications by a Student in connection with and as part of the school and education curriculum and its related and/or sponsored activities, and includes without limitation internet communications when reasonably aimed at the specific audience of Page, its Students, and/or its personnel") can be subject to disciplinary action if it includes: (1) fighting words; (2) speech that incites others to imminent lawless action; (3) obscenity; (4) defamatory speech; (5) true threats; and (6) speech which materially disrupts class work or creates substantial disorder to the class or the school ("Prohibited Student Speech").

In order for Page to maintain order and to discipline when necessary to assure a safe school environment that is conducive to learning, a balance is needed between the free speech rights of Students and the preservation of the educational process. Accordingly, Page will not tolerate Prohibited Student Speech. Any Student found to engage in Prohibited Student Speech will be subject to disciplinary consequences, including but not limited to suspension and/or expulsion.

Student Responsibilities

Responsibilities are things we do for ourselves and things we do for the good of others. The following are important responsibilities:

To Come To School: You must come to school unless you are sick.

Be On Time For School And Class: If you are late in the morning, you will miss things you need to know. If you are late to your daily classes, the teacher will have to take time away from the other students to bring you up-to-date.

Complete All School And Homework: Learning to read or do mathematics is like learning to ride a bike. It is important to practice what you learn so you can master the subject. Some things have to be done over and over before they are learned. You need to keep trying even if you find the subject very hard for you.

Take Care Of School Property: If something belongs to everyone, everyone must help to take care of it. All students should respect the rights and property of others. If you purposely destroy something, you or your parents will be responsible for replacing it. You may also be given a disciplinary consequence for your actions.

Help Make School A Good Place To Be: A school is a place where good things happen to people. You make new friends, you are treated with respect, and you learn things that will help you the rest of your life. It is one of your responsibilities to help make school a good place for everyone.

Adhere To The School Discipline Policy: If you refuse to do what you have been told, or refuse to follow the rules, you are being disobedient. While you are at school, the classroom, in the building, on the yard, you are expected to respect the people who work at the school and follow their directions.

If a rule has been broken, you will not be disciplined without a chance to tell your side of the story.

Student Rules

It is important that your name is on all your belongings so that you and other students know that your materials and clothing belong to you.

Discipline And Expulsion Policy

Page Private School believes that the best discipline is self-discipline. As part of the Character Development Program, Page Private School's Staff guide children in the development of the tools needed to use self-control in their daily lives. The staff uses positive reinforcement, redirection, problem-solving techniques to reinforce positive growth skills; and, if needed, the removal of privileges. Page Private School does not use corporal punishment. Should unacceptable behavior persist the parents will receive verbal and/or written notification. If the inappropriate behavior persists, the child's parents will be notified and a meeting with an administrator to discuss an appropriate plan of behavior modification will be scheduled and held. In the rare instance that a student continues to engage in unacceptable behavior, Page Private School may exercise its right and the child may be suspended or expelled. As in all disciplinary actions all involved parties will have an opportunity to be heard and explain the situation precipitating the misconduct.
